Pharmaceutical Industry Analysis Dashboard

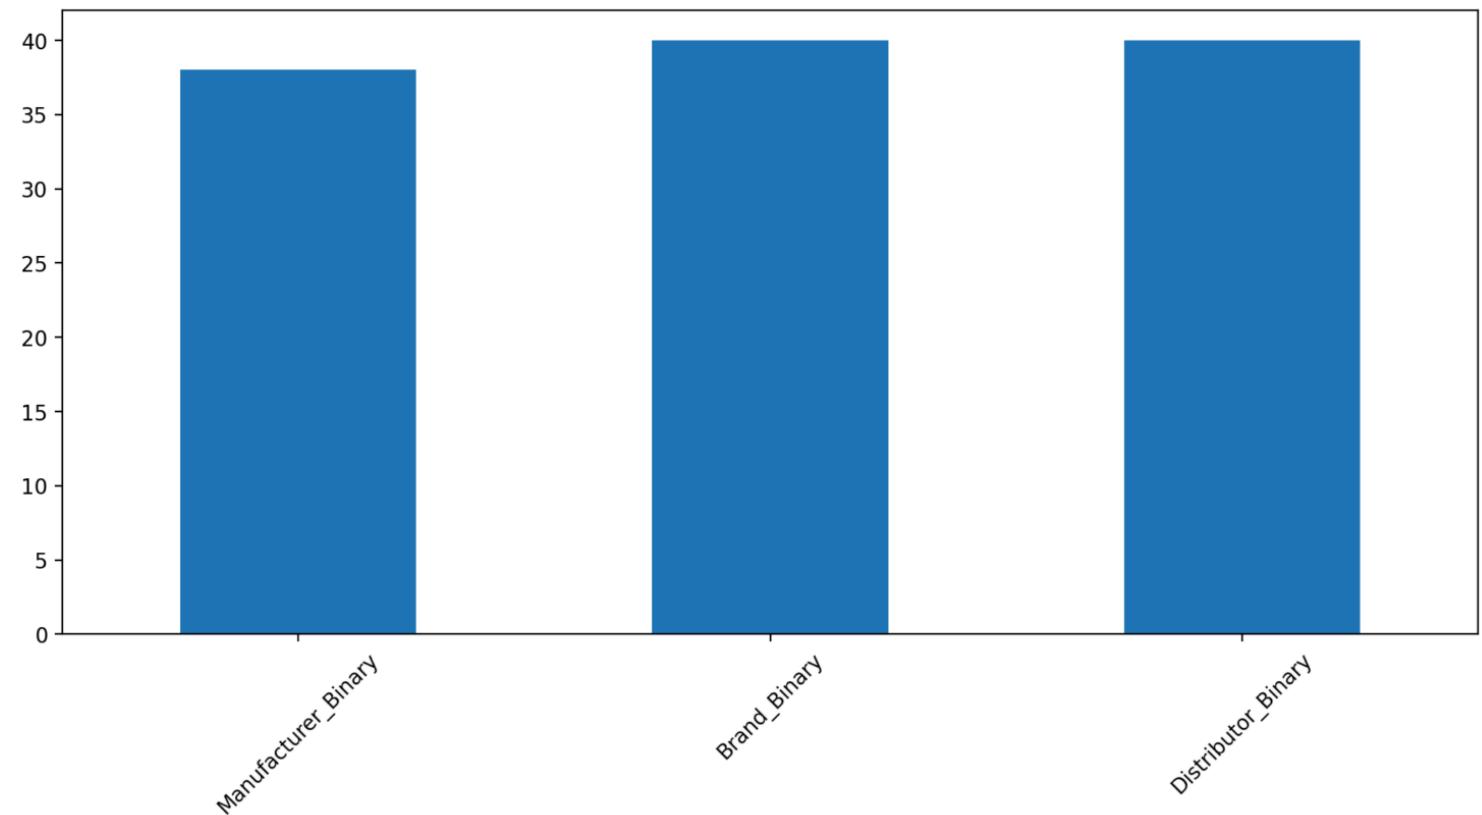

Company Type Distribution

This chart shows the distribution of different company types in the dataset.

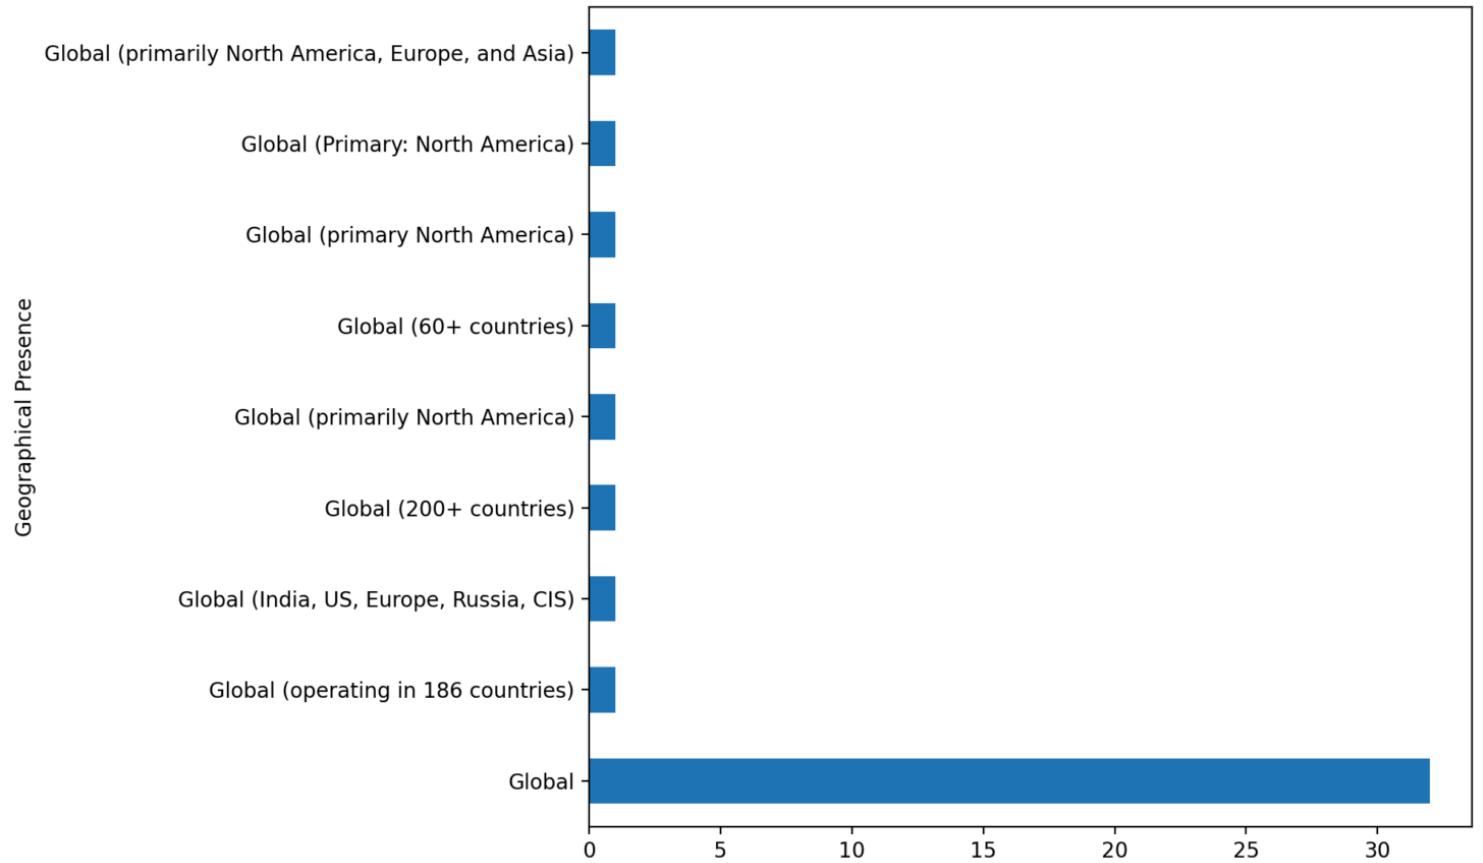

Manufacturing Capabilities

This chart shows the count of companies with different manufacturing capabilities.

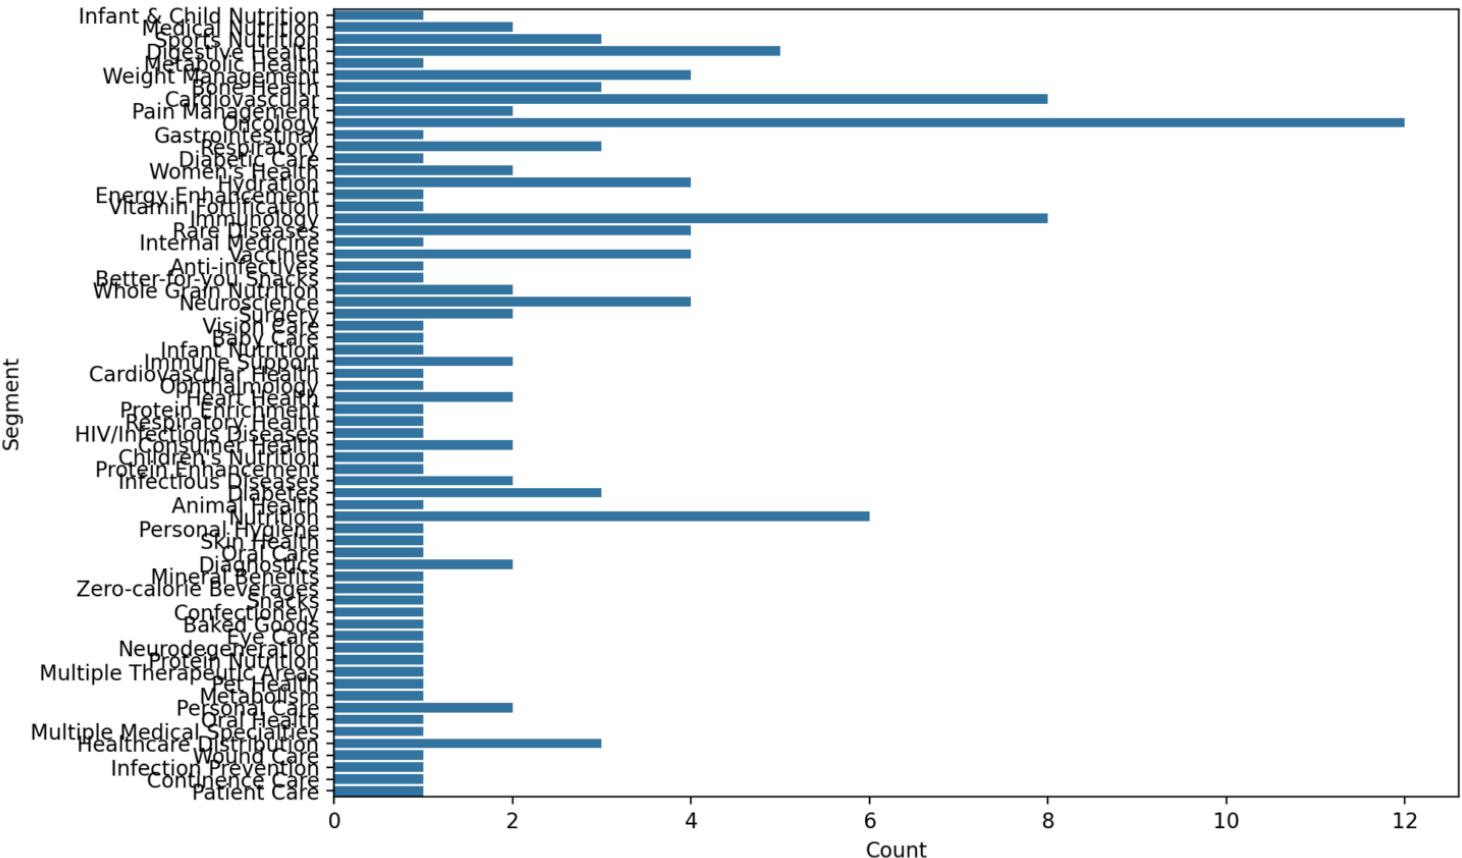

Geographic Presence

This chart shows the geographic presence of the companies in the dataset.

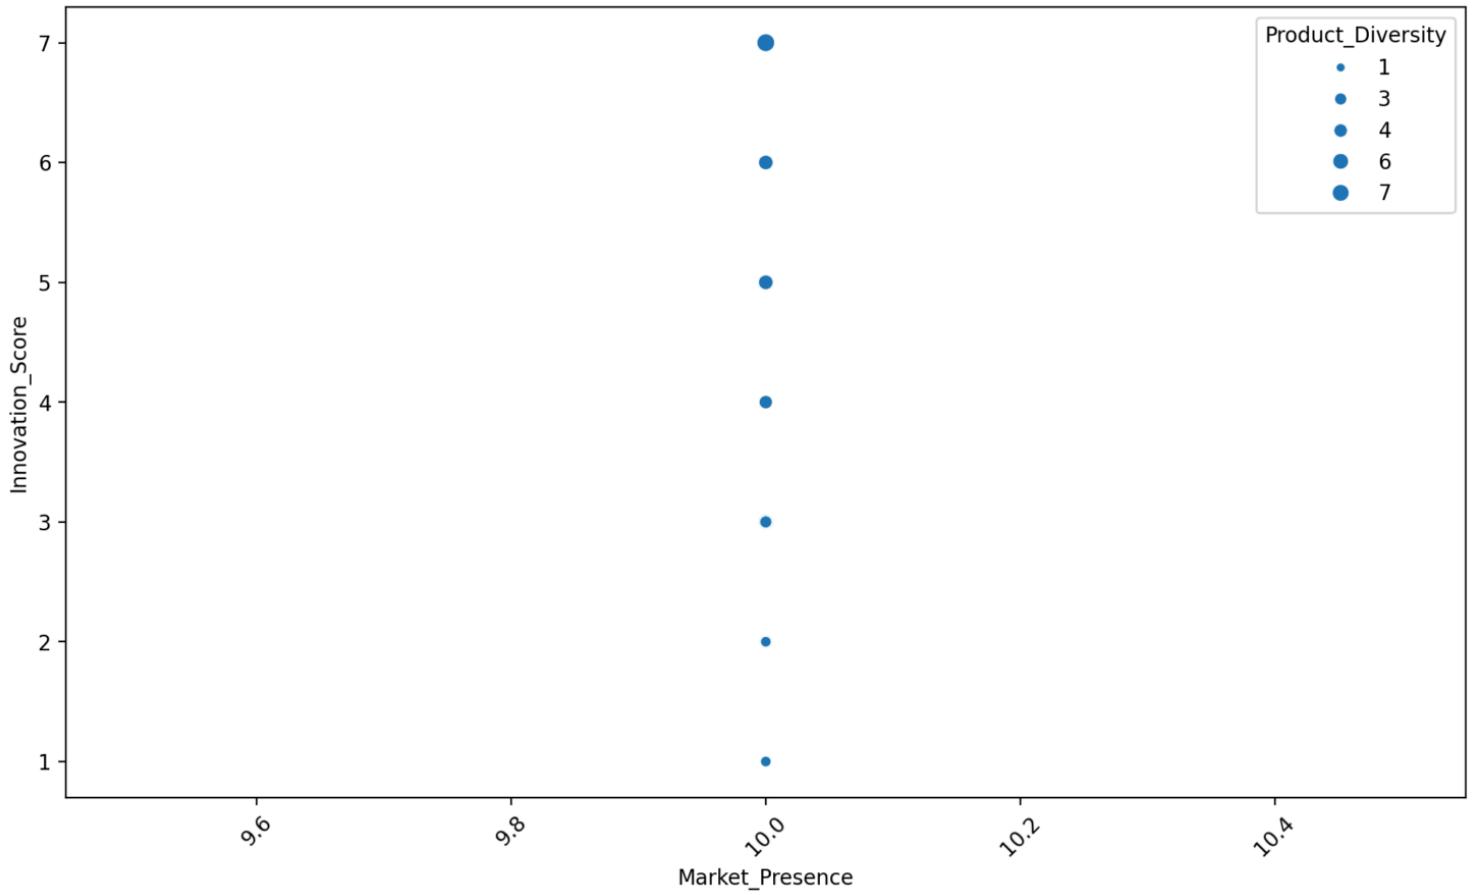

Health Segments Distribution

This chart shows the distribution of health segments in the dataset.

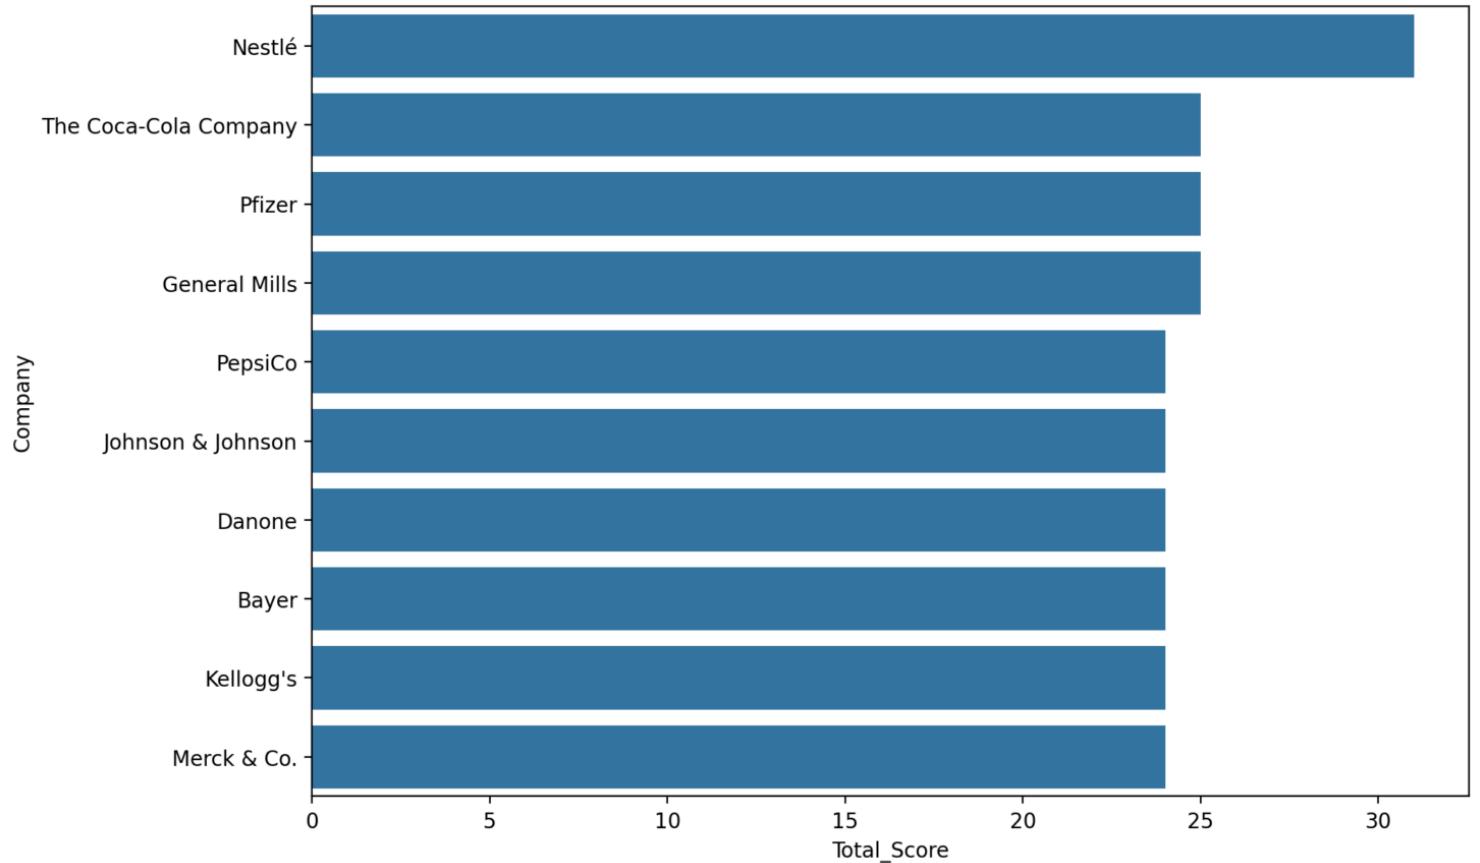

Company Performance Analysis

This chart shows the performance of companies based on market presence, innovation score, and product diversity.

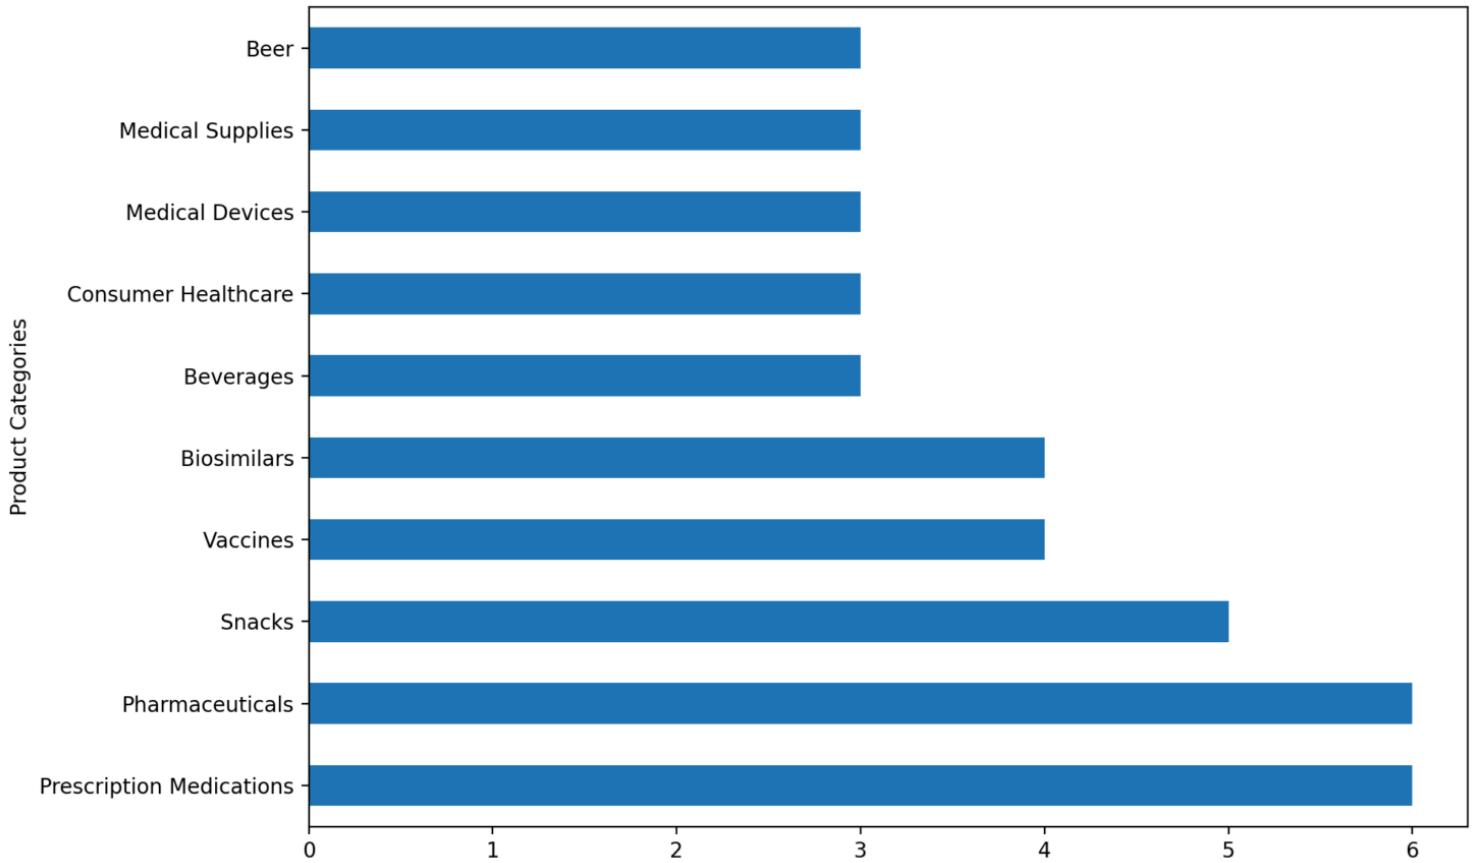

Top Companies by Total Score

This chart shows the top companies based on their total scores.

Product Categories Distribution

This chart shows the distribution of product categories in the dataset.

Detailed Analysis

Company Scores

	Company	Certification_Score	Market_Presence	Innovation_Score	Product_Diversity	Total_Score
30	Anheuser-Busch InBev	2	10	2	2	16
31	BASF SE	3	10	2	3	18
32	Diageo PLC	2	10	2	2	16
33	The Procter & Gamble Co.	2	10	2	3	17
34	Heineken N.V.	2	10	2	2	16
35	Medtronic PLC	2	10	2	2	16
36	McKesson Corporation	2	10	2	2	16
37	AmerisourceBergen Corp	2	10	1	1	14
38	Cardinal Health Inc.	2	10	1	2	15
39	Medline Industries	4	10	5	5	24

Summary Statistics

	Total Companies	Manufacturers	Brands	Distributors

Additional Analysis

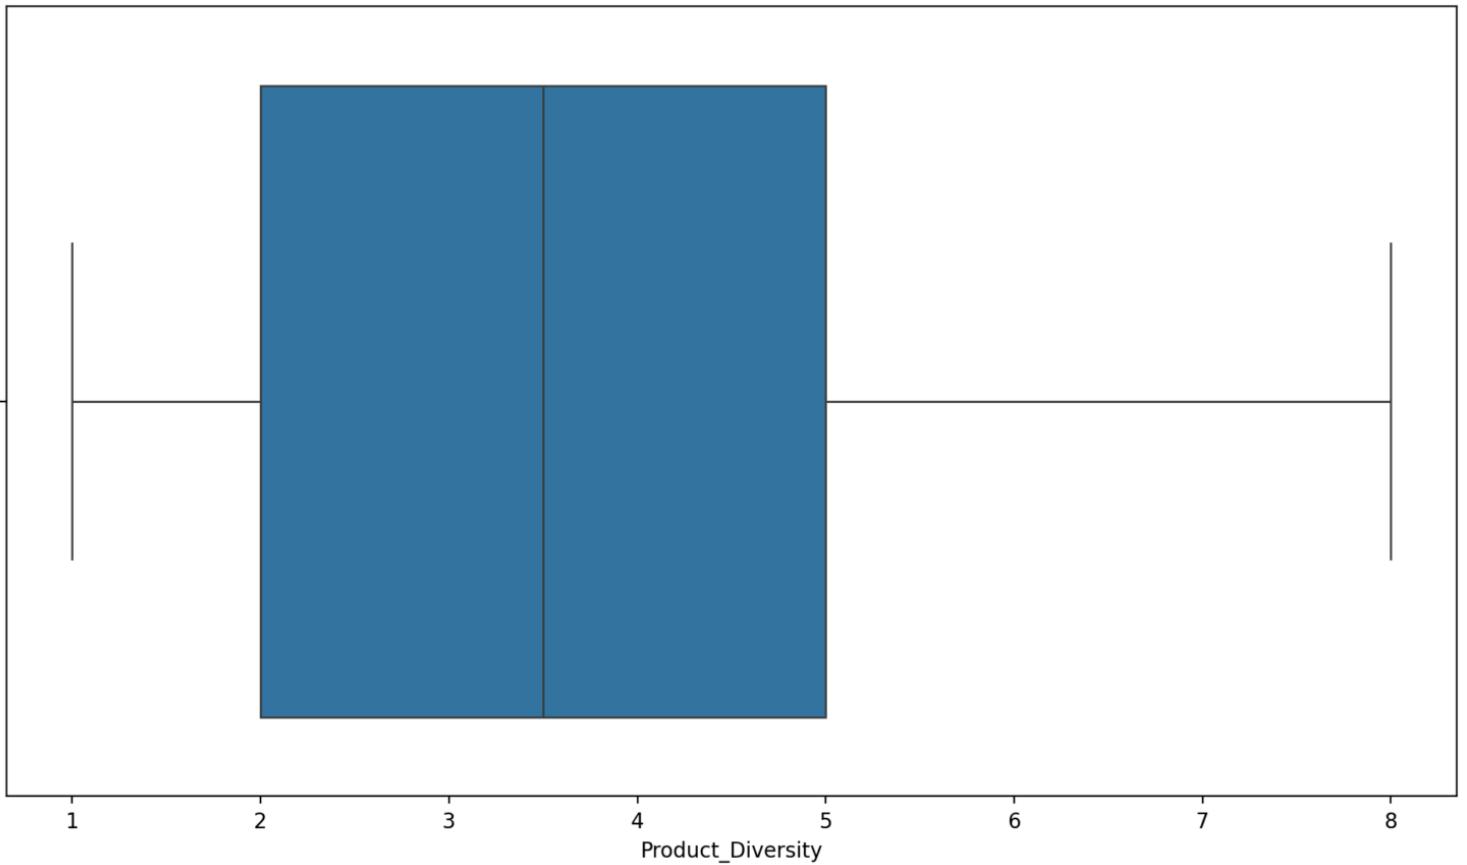

Correlation Matrix

This heatmap shows the correlation between different numeric variables in the dataset.

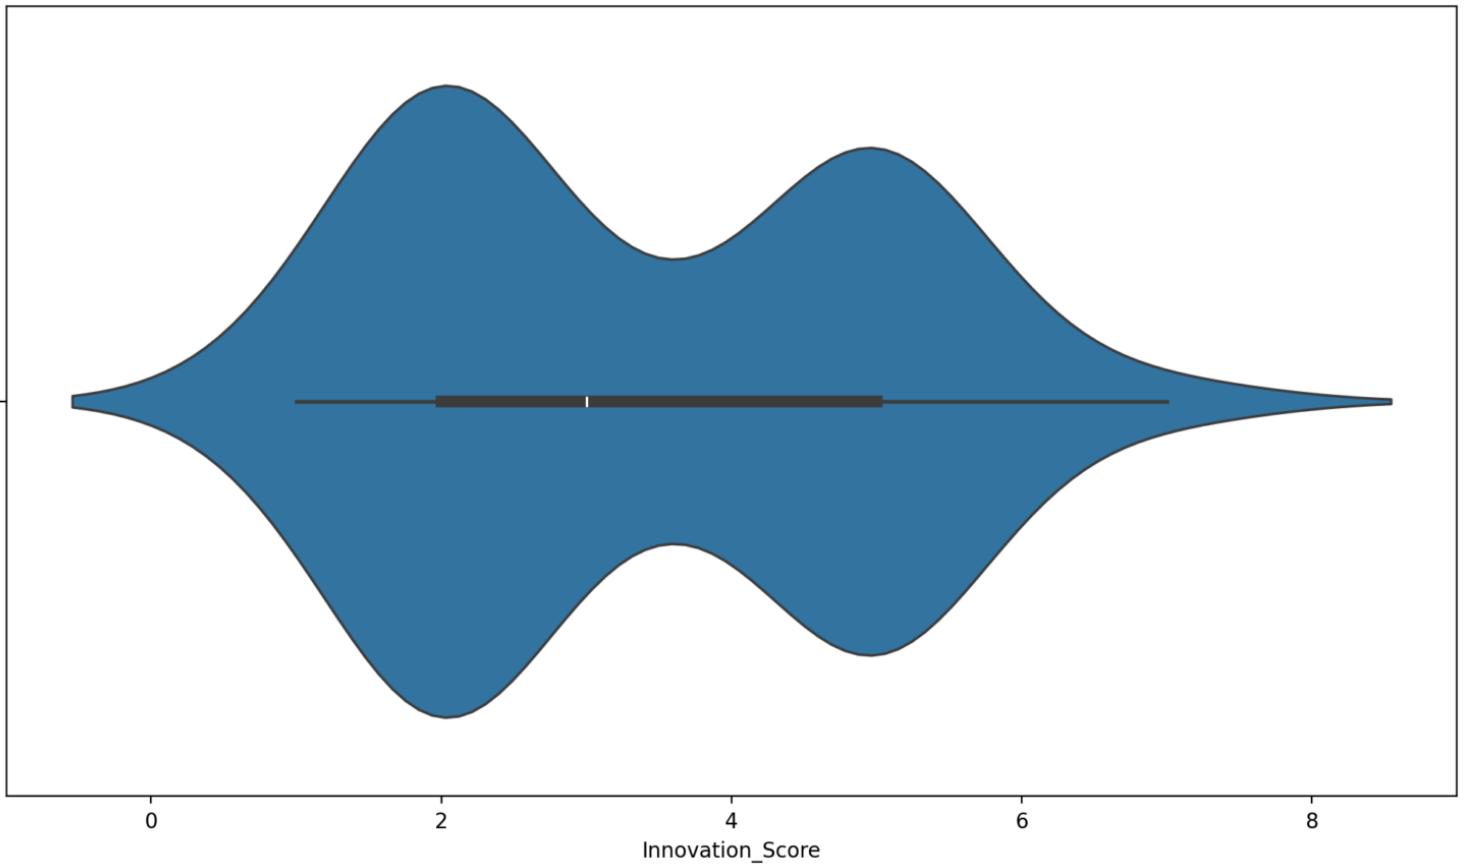

Box Plot for Product Diversity

This box plot shows the distribution of product diversity scores.

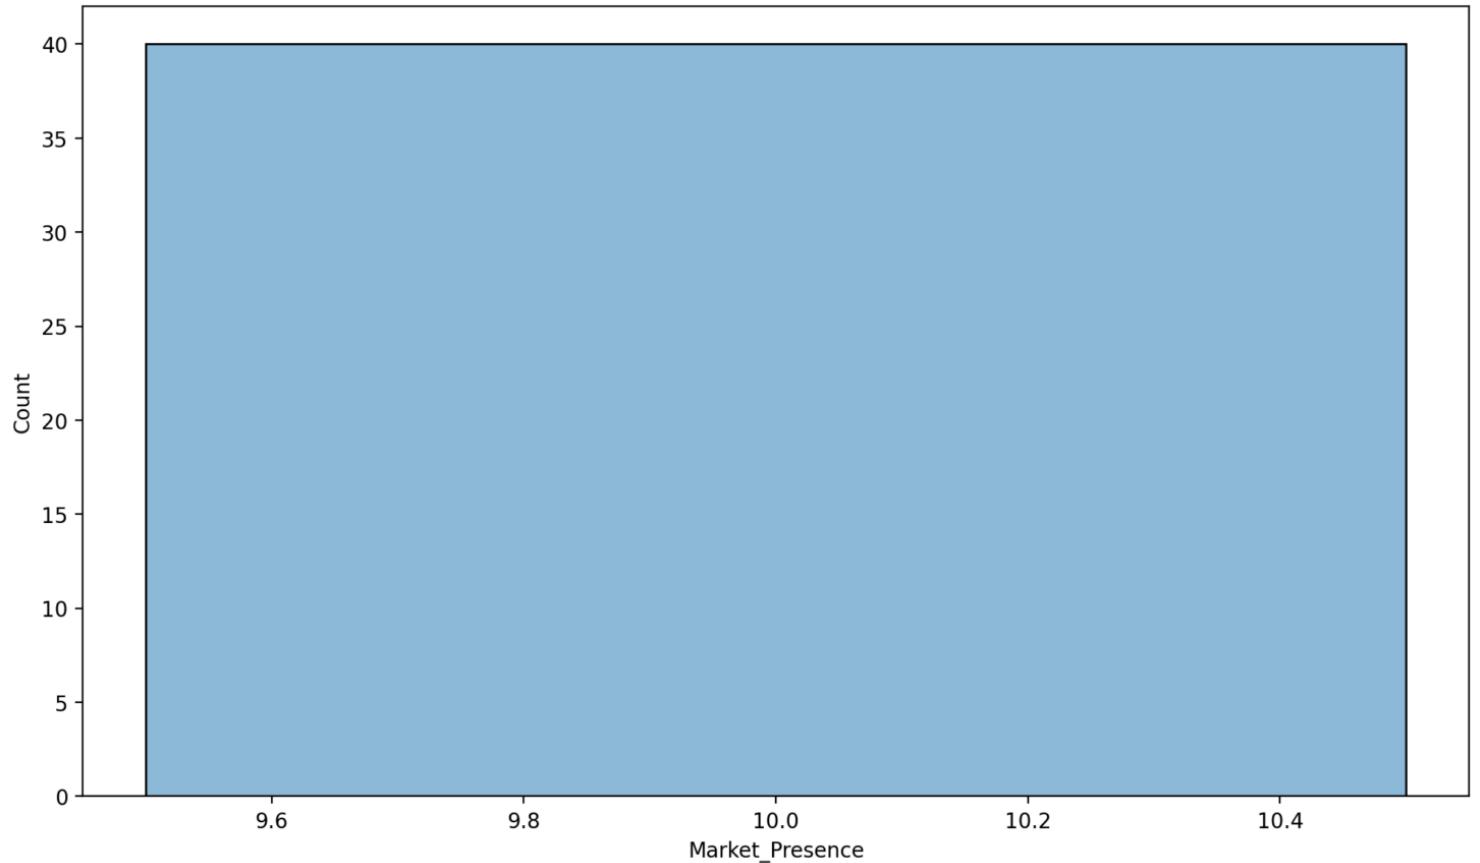

Violin Plot for Innovation Score

This violin plot shows the distribution and density of innovation scores.

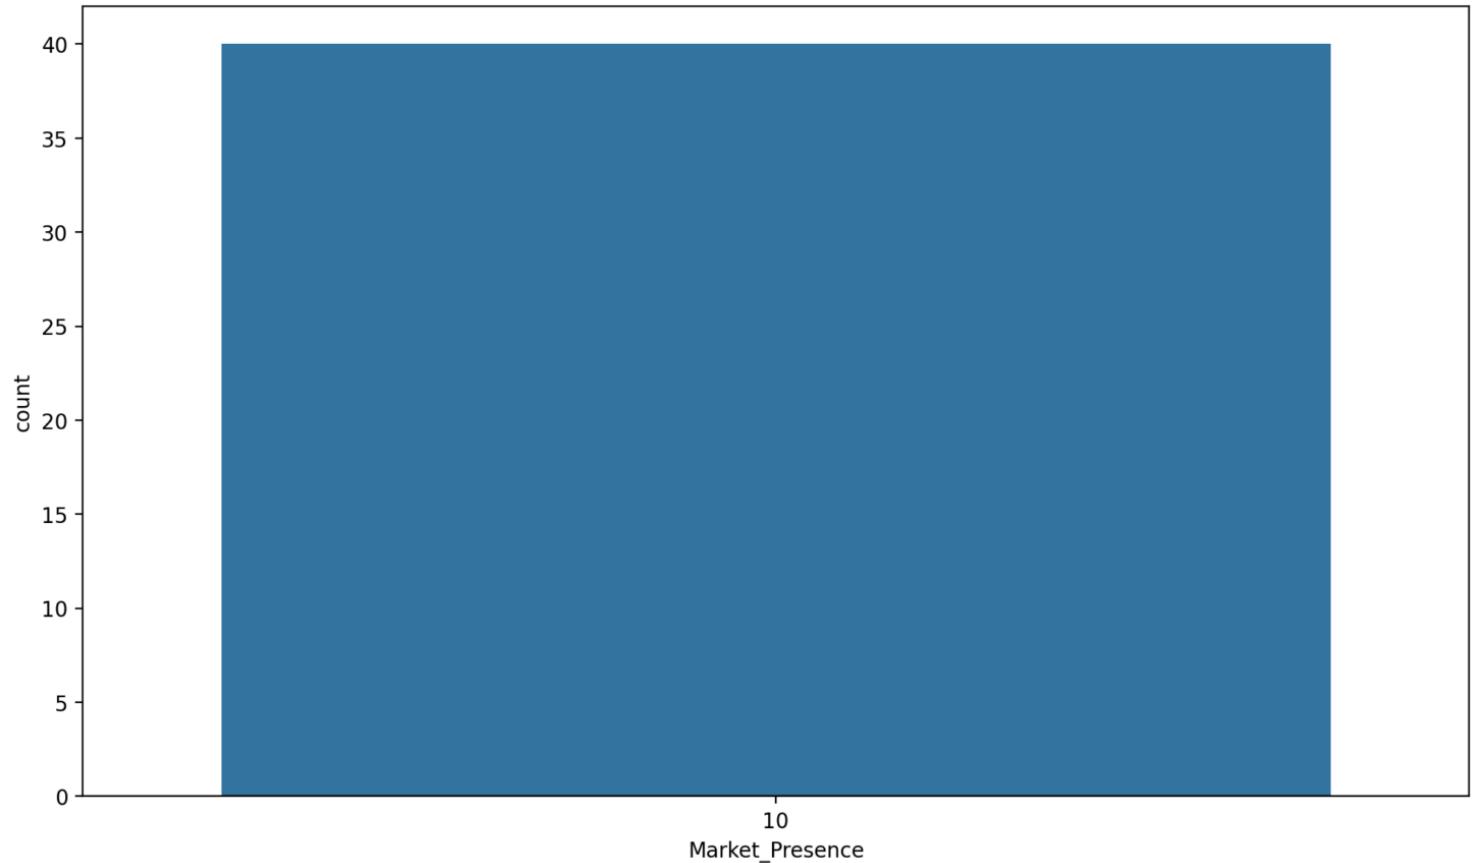

Histogram for Market Presence

This histogram shows the frequency distribution of market presence scores.

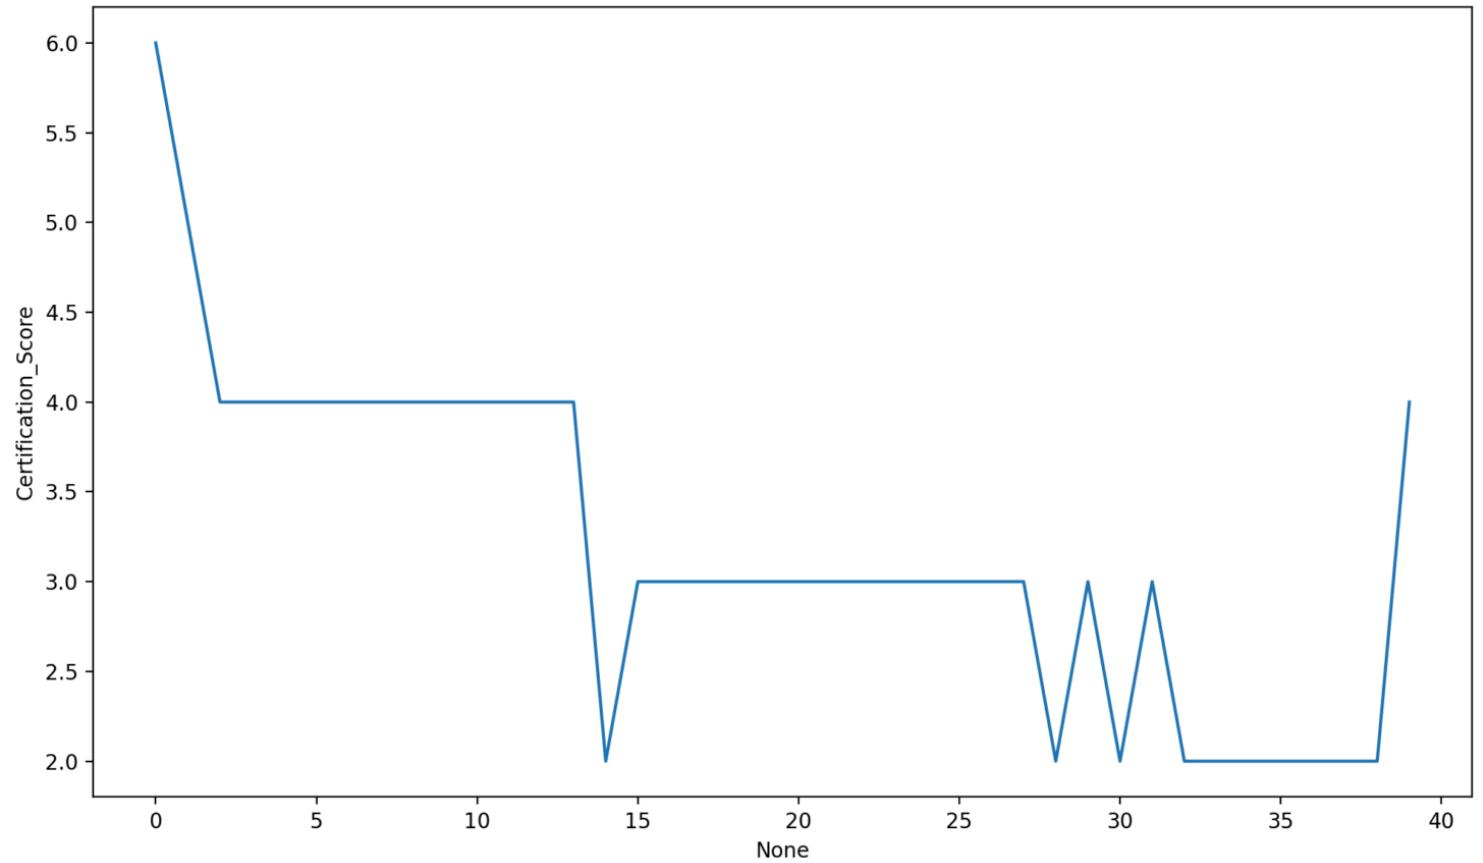

Bar Plot for Market Presence

This bar plot shows the count of companies based on their market presence scores.

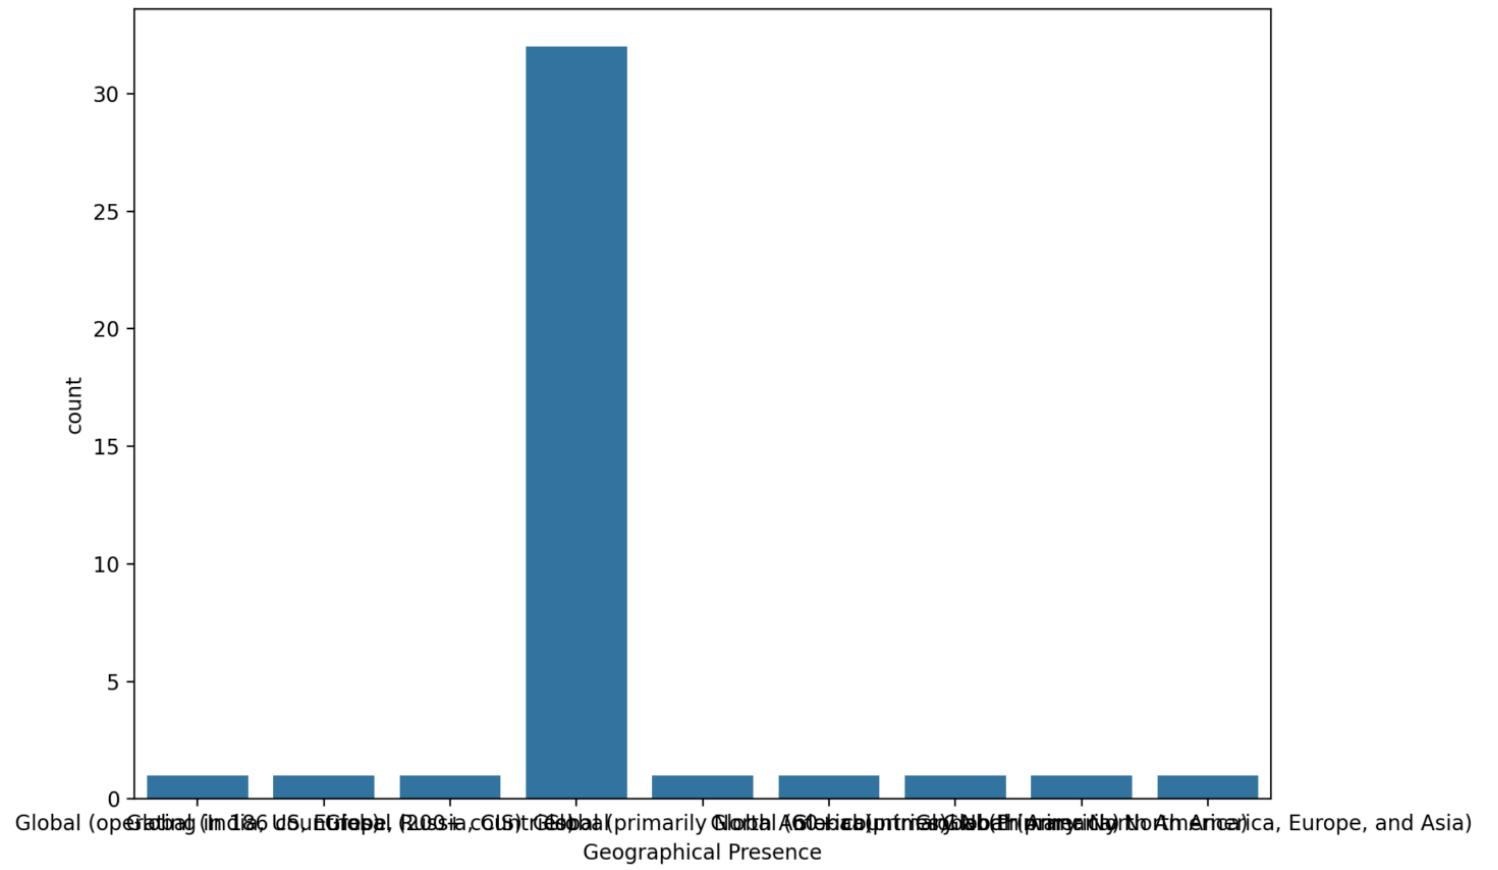

Line Plot for Certification Score

This line plot shows the trend of certification scores.

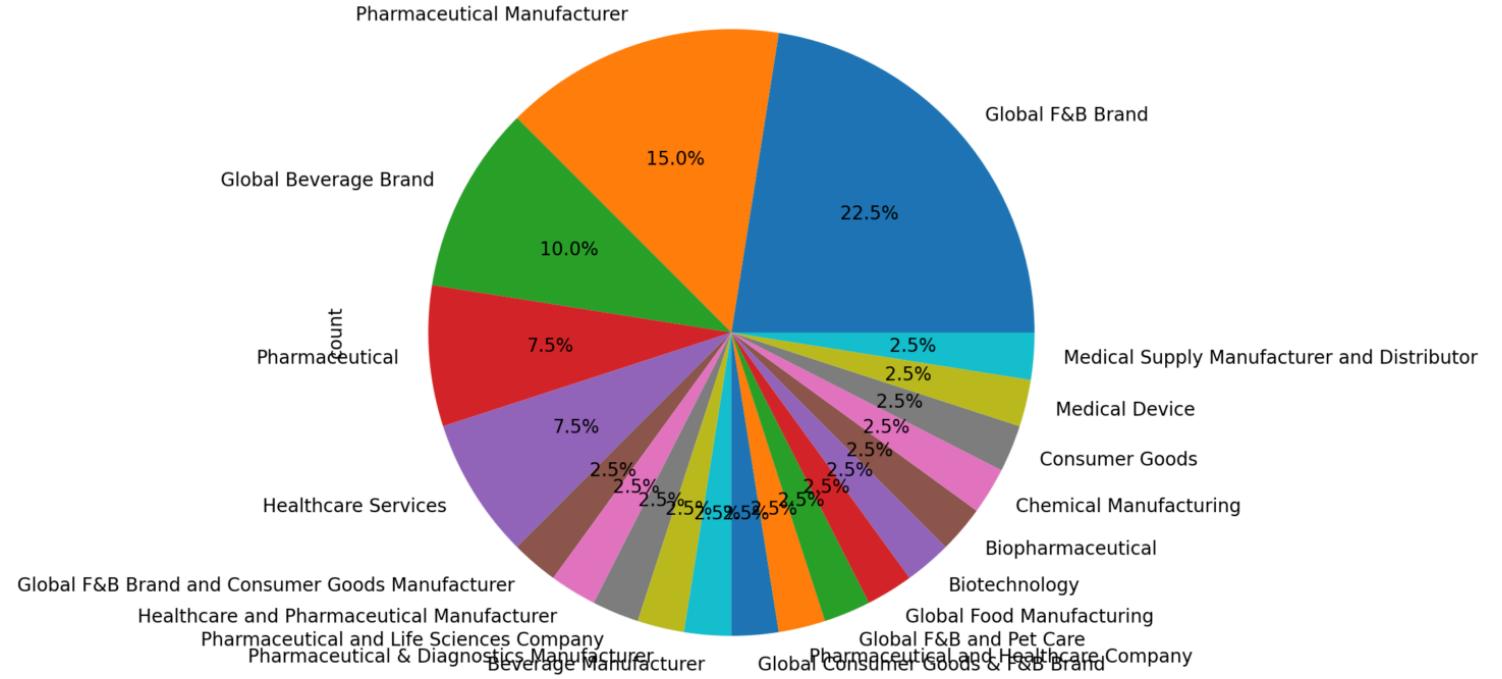

Bar Plot for Geographical Presence

This bar plot shows the count of companies in different geographical regions.

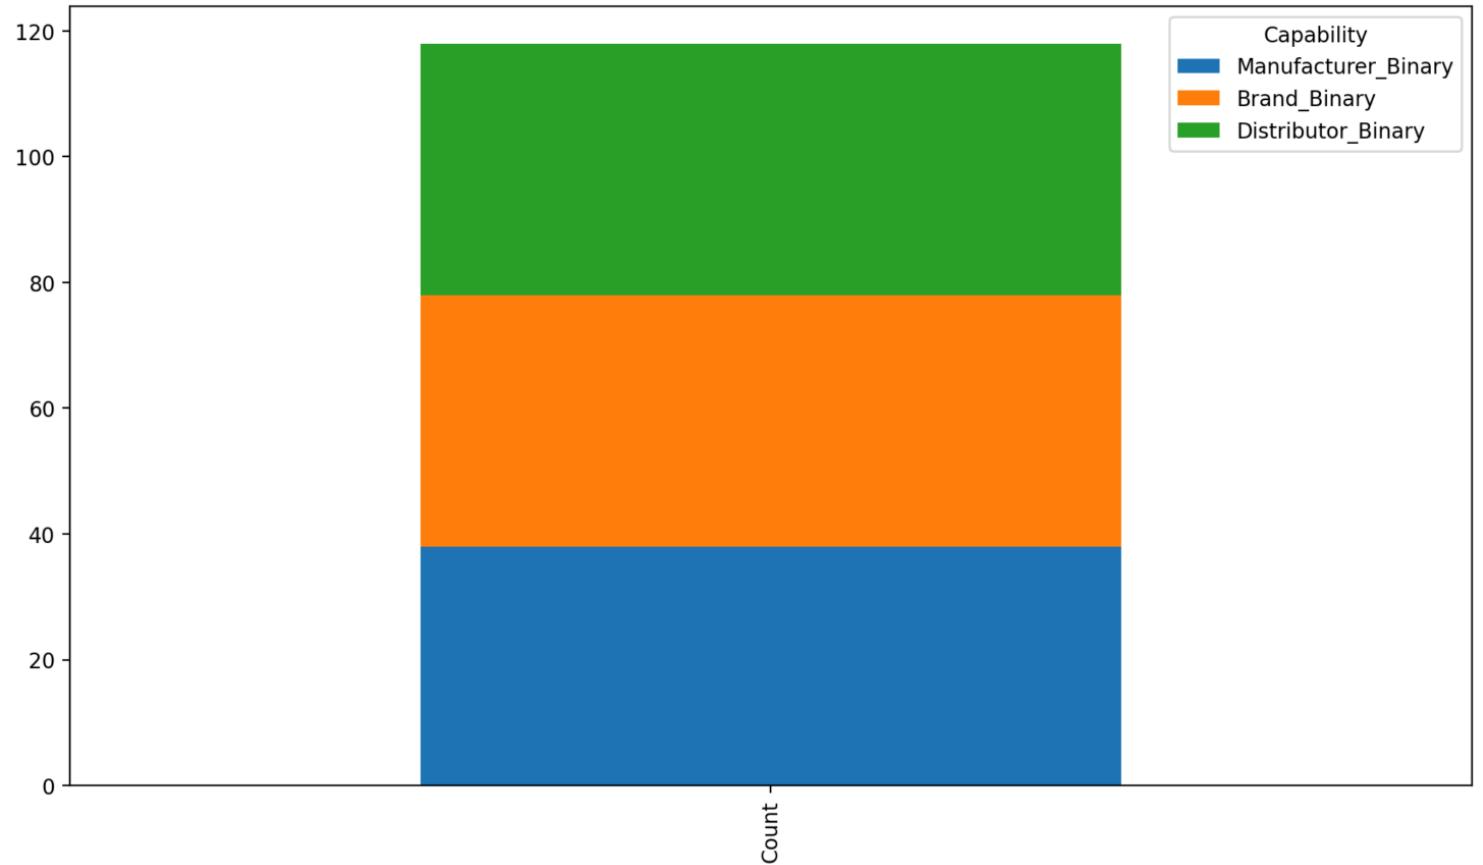

Pie Chart for Company Type

This pie chart shows the proportion of different company types.

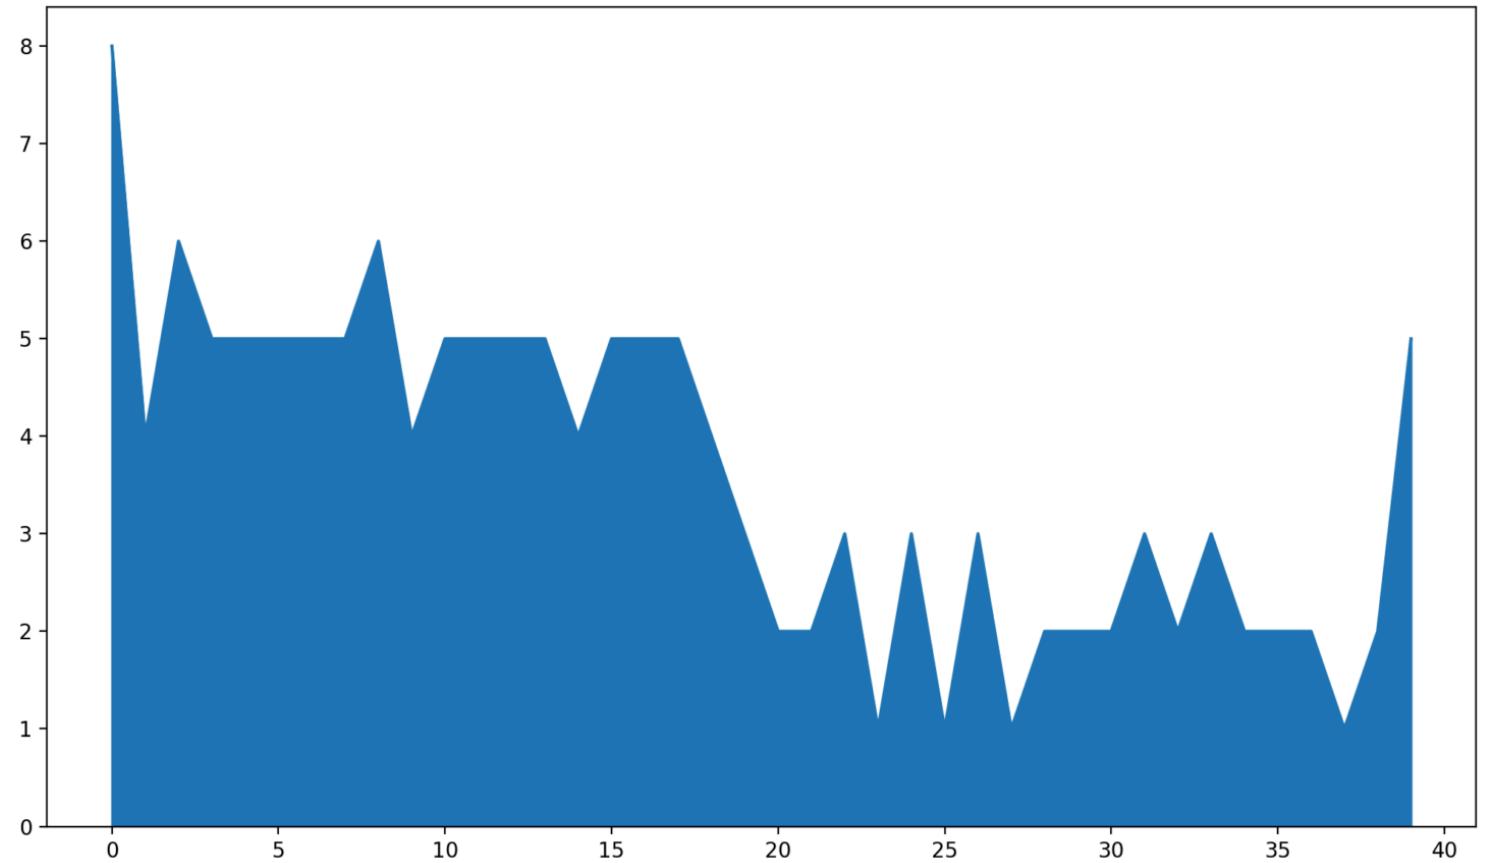

Stacked Bar Chart for Manufacturing Capabilities

This stacked bar chart shows the count of manufacturing capabilities.

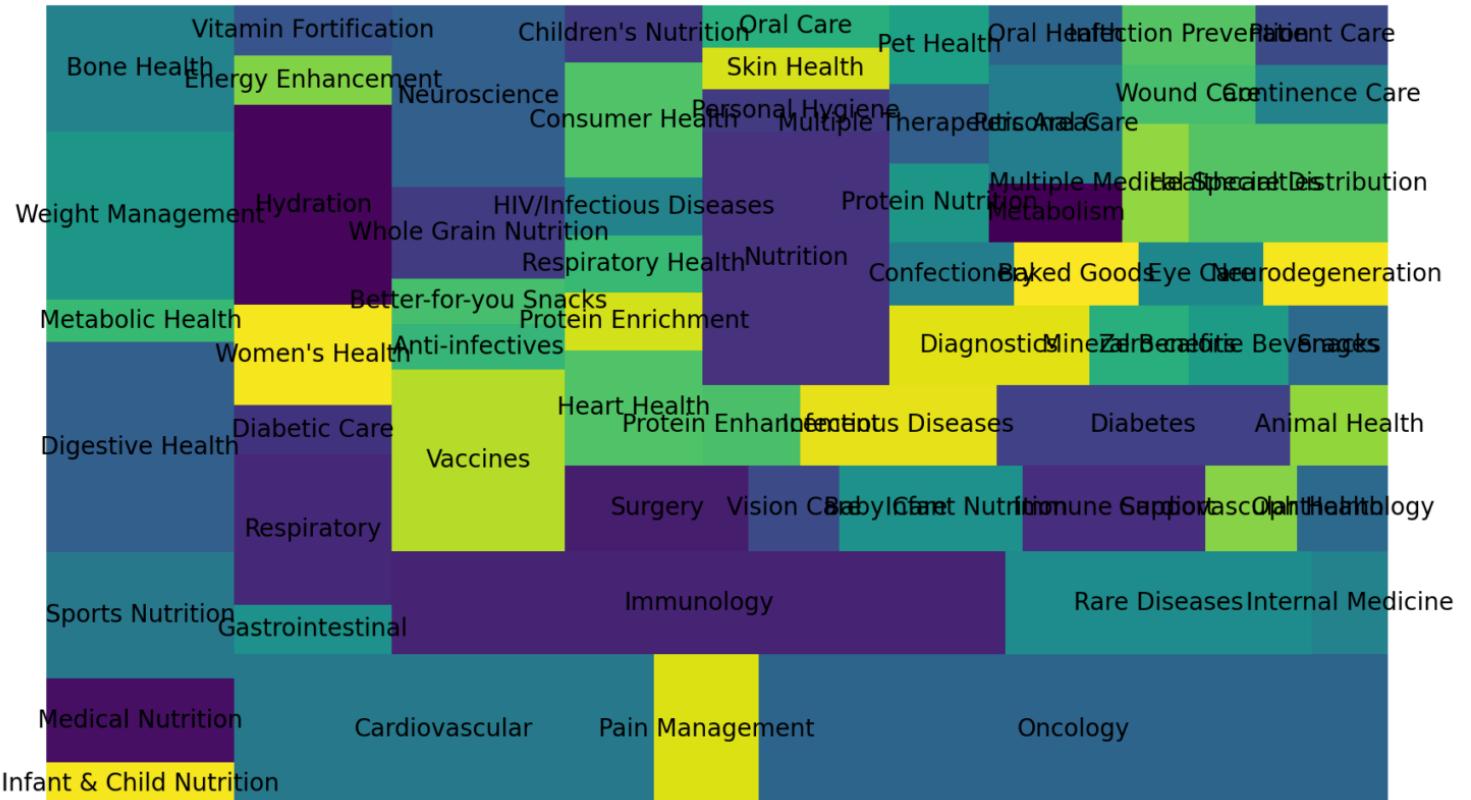

Area Plot for Product Diversity

This area plot shows the product diversity scores over time.

Treemap for Health Segments

This treemap shows the hierarchical structure of health segments.

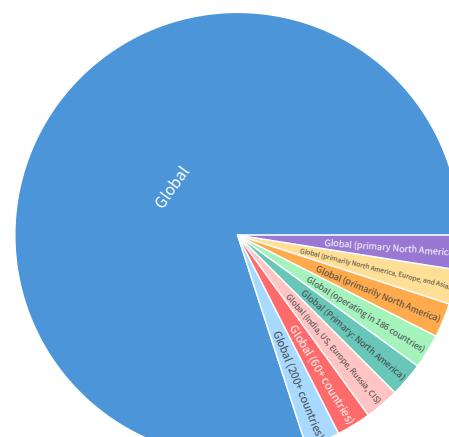

Word Cloud for Product Categories

This word cloud shows the frequency of product categories in the dataset.
